

# Wildlife Rescue Australia Privacy Policy

## General Policy

**Wildlife Rescue Australia** is committed to maintaining your privacy as required by the *Privacy and Personal Information Protection Act 1998 (NSW)* and the *Privacy Act 1988 (Comm)*.

**Wildlife Rescue Australia** will only collect your personal information with your permission, and will not collect any more information than is necessary for one or more of our functions or activities.

**Wildlife Rescue Australia** will not collect personal information from any third party, except with your permission.

**Wildlife Rescue** will only disclose your personal information with your consent, unless permitted by you or legally required to do so.

**Wildlife Rescue Australia** will require anyone whom it engages to collect, store or use personal information for it to comply with the information protection principles of both the above Acts and this Policy.

Any member of **Wildlife Rescue Australia** is entitled to access his/her personal information upon request in writing.

**Wildlife Rescue Australia** will only send emails with the addressee's expressed or inferred consent to receive it. All messages will have clear and accurate information about **Wildlife Rescue** as the sender and will have a functional unsubscribe facility. All requests to unsubscribe will be dealt with promptly.

## Website Policy

**Wildlife Rescue Australia** does not collect personally identifying information about you when you visit our website, unless you choose to provide such information. Providing such information is strictly voluntary.

When you look at the pages of our website, our computers may record information that identifies, for each page accessed:

- the IP (Internet Protocol) address of the machine which has accessed it;
- your top-level domain name (for example .com, .gov, .au, .uk etc.);
- the address of your server;
- the date and time of your visit to the site;
- the pages accessed and documents downloaded;
- the previous site; and
- the type of browser and operating system you have used.

No attempt is made to identify users or their browsing activities except, in the event of an investigation, where a law enforcement agency may lawfully inspect the service provider's logs.

Except in the circumstances as set out above, **Wildlife Rescue Australia** will not disclose or publish information which identifies individual machines, or potentially identifies sub-groupings of addresses, without consent.

**Wildlife Rescue Australia** reserves the right to gather more extensive information than stated above in cases of any detected activity which is unauthorised and/or is or may be unlawful.

**Wildlife Rescue Australia** does not have any responsibility for the privacy policies or practices of third party sites linked to the **Wildlife Rescue Australia** website.

## Complaints concerning our privacy practice

All complaints will be dealt with promptly and confidentially. Complaints concerning our privacy practices and how your personal information is used may be made at any time by writing to the:
